Black Ink Farms 2011 Angus Sale Catalog

Valued Customers,

Welcome to our annual Angus cattle sale! We hope the records in this catalog will help you in selecting genetically superior cattle for your program. We use home grown feed in our growing programs and most of our mature cows are in the 1,200 pound range which we believe is the most opportune weight for the Upper Midwest.

Have some lunch, look the cattle over, and we'll answer any questions you may have.

GENERAL INFORMATION

AUCTIONEER: Jerry Stoebner Tripp, SD phone 935-6090

RINGMEN: Ken Russ Armour, SD

TERMS AND CONDITIONS:

The terms of the sale are cash at the close of the auction. All the cattle will sell according to the Terms and Conditions of the American Angus Association.

TRUCKING: Transportation arrangements can be made.

HERD HEALTH:

All females are calfhood bangs vaccinated. The cattle are wormed and treated for lice and grubs. In addition, all are vaccinated for PL3, IBR, BVD, BRSV, and 7-way Blackleg with Hemophilus. Both bulls and heifers were given Express FP5 and Lepto-Vibro this Spring. We will provide health papers for interstate shipping.
